3pm

Fri/8-26

continued

lin G. Paul L. Lambert, Ernest H. Harrell, and Jack Kaynos, North Texas State University (B-7)  
 (26) Effects of Adrenalectomy on Hypothalamic Obesity and Hyperinsulinemia in Rats. Alysia R. Banta and Bruce M. King, University of New Orleans; and Lawrence A. Frohman, Division of Endocrinology and Metabolism, University of Cincinnati (B-8)  
 (24, 26) Ethanol's Potentiation of Aging Effects in Hairless Mice. Virginia G. Carson, Christine A. Gilbert, and Arvil D. Stephens, Chapman College (C-1)  
 (6.4.2, 24) Impaired Olfactory Discrimination in Aged Rats: Peripheral and Central Factors. M. Martyn Kilbey, R. E. Prytula, and D. Samples, Mid-Tennessee Southern University (C-2)  
 (13.5, 26) Inferring Memory Mechanisms From Acquired Immunodeficiency Syndromes and Subacute-Spongiform Encephalopathies. Roulette William Smith, School of Education, Stanford University (C-3)  
 (26) Hedonic Theory of Electroconvulsive Shock-Induced Amnesia. H. D. "Jim" Day, Gail Dupuy, and Joan Grigsby, Texas Woman's University (C-4)  
 (26) Assessing Impulsivity in an Animal Model of Childhood Hyperactivity. Arthur E. Martin, Martha A. Foster, and Gordon K. Hodges, University of New Mexico (C-5)  
 (24, 38) Contextual Determinants of Drug Seeking. Steven I. Dworkin, Glenn Guerin, and James E. Smith, Dept. of Psychiatry, Louisiana State University School of Medicine (C-6)  
 (24, 36) Detailed Behavioral and Neurobiological Analysis of Stimulant Self-Administration. Steven I. Dworkin, Reynard C. Odonholmer, and James E. Smith, Dept. of Psychiatry, Louisiana State University School of Medicine (C-7)  
 (24, 26) Cholinergic Involvement in Opiate Reinforcement. James E. Smith (C-8)  
 (24) Effects of Psychoactive Drugs Upon Classical Conditioning. Pamela C. Scavio, Timothy M. Gahagan, Joseph C. Marshall, and Michael J. Scavio, California State University, Fullerton (D-1)  
 (24, 26) Food Deprivation Increases Second-Order Schedule Responding for Drug-Related Stimuli. Marilyn E. Carroll, Psychiatry Dept., University of Minnesota (D-2)  
 (13.4, 24) Reinforcing Properties of Nicotine in Rats. Victor J. DeNobis, Paul C. Melo, and Francis J. Ryan, Philip Morris Research Center, Richmond, VA (D-3)  
 (22, 24) Cortical Involvement in Cocaine Reinforcement. Nick E. Goeders and James E. Smith, Dept. of Psychiatry and Pharmacology, Louisiana State University School of Medicine (D-4)  
 (24) Modification of the Discriminative Stimulus Properties of Morphine by d-Amphetamine. Alice M. Young and David V. Gauvin, Wayne State University (D-5)  
 (24) Serotonin Antagonists, d-Amphetamine, and Chlordiazepoxide: Effects on Schedule-Controlled Behavior. Paul C. Melo and Marjorie A. Caplan, Adelphi University (D-6)  
 (20, 24) Impairment of Attention in Rats Following Apomorphine or Haloperidol Treatment. Lisa B. Nomorow and Douglas A. Weldon, Hamilton College (D-7)  
 (13.5, 24) Effect of Piracetam in Two Models of Memory Disorder. Douglas K. Rush and Ursula Schindler, Cassella AG, CNS Pharmacology, Frankfurt, West Germany (D-8)  
 (13.1, 13.8) Simulating Natural Concepts in the Pigeon. John Corolla, Foundation for Research on the Nervous System, Boston, MA (E-1)

3:00-4:50	Division: 8  Anaholm Convention Center, Huntington Beach Room 6  Index: 34.2	Symposium: Sources of Self-Inference Chair: Susan M. Andersen, University of California: Santa Barbara Participants: Abraham Tesser, University of Georgia, and Jennifer D. Campbell, University of British Columbia, Vancouver, Canada. Implications of Self-Evaluation Maintenance for Self-Definition Susan M. Andersen. Distinguishing Cognitive-Affective and Behavioral Bases of Self-Knowledge	William B. Swann and John J. Griffin, University of Texas at Austin. Cognitive-Affective Crossfire in Negative Self-Concept Individuals Alice Padawer-Singer, Long Island University. Role of Personal Distinctiveness in Self-Concept Discussant: Lee Ross, Stanford University
3:00-4:50	Divisions: 13, 2, 12, & 17  Anaholm Convention Center, California Room E  Index: 2.11	Symposium: Consultation Training: Patterns, Issues, and Recommendations Chair: June M. Gellesich, University of Texas at Austin Participants: Kay M. Long, University of Texas at Austin. Consultation Training Patterns: Past and Present Susan Jennings, University of Texas at Austin. In-Depth Examination of One Training Program and Its Outcomes	June M. Gellesich. Future of Consultation Training: Issues and Recommendations Discussant: James G. Hergler, Rohrer, Hibler, Repligio, Inc., Dallas, TX
3:00-4:50	Divisions: 30 & 12  Hilton at the Park, Arcade 1  Index: See individual entries.	Paper Session: Issues in the Measurement of Hypnotizability and Its Correlates Chair: Kenneth R. Graham, Muhlenberg College (23.3) A Comparison of Authoritarian and Permissive Wording of Hypnotic Suggestions. Robert B. Coyle, Trade Winds Rehabilitation Center, Gary, IN, and Jay K. Church, Ball State University (23.3) "Absorption": Personality Correlate or Expectancy-Mediated Artifact? James R. Council and Irving Kirsch, University of Connecticut (23.3) Indirect Versus Direct Hypnotic Suggestion—An Empirical Test. William J. Matthews, Counseling Psychology Program, University of Massachusetts; Henry L. Bennett, Northampton, MA, and Warren S. Bean and Merry A. Gallagher, School of Education, University of Massachusetts	(23.3, 34.1) Self-Prediction of Hypnotic Susceptibility. Thomas A. Wadden, Dept. of Psychiatry, University of Pennsylvania (23.3) Bilingual Nonverbal Hypnotic Induction: Individual Versus Group Context. Donald R. Denver and Gilles Boasson, Laval University, Quebec, Canada (23.3) Dissociative Use of Imagery in Relation to Hypnotic Susceptibility. Nancy A. Bunting and Charles L. Gruder, University of Illinois at Chicago Circle (13.5, 23.3) Effects of Hypnosis on Eidetic Imagery: Relationships to Hypnotizability. Helen Joan Crawford, University of Wyoming, and Benjamin Wallace, Cleveland State University Discussant: Ernest R. Hilgard, Stanford University
3:00-4:50	Division: 32  Anaholm Convention Center, Garden Grove Room 4  Index: 23.1, 38	Symposium: Presidents' Panel: The Relevance of the Humanistic Perspective to the 80s Chair: Martin E. Johnson, Associates in Professional Humanistic Psychology, Rochester, NY Participants: Robert A. Harper, Washington, DC	David Morgenstern, Humanistic Psychotherapy Studies Center, Philadelphia, PA Stanley Krippner, Saybrook Institute, San Francisco, CA John Tisdale, Cedar Crest College Virginia Staudt Sexton, St. John's University

# APA Divisions and Program Chairs

**Note:** All references to APA divisions in the program section are by division number only. These are the APA-affiliated groups; all other groups are considered unaffiliated and are listed on page 187. Abbreviations (CC = Anaheim Convention Center, D = Disneyland, H = Hilton at the Park, M = Anaheim Marriott) indicate the meeting facilities in which the majority of each division's meetings are held.

- 1 Division of General Psychology (D)—Charles L. Brower, Furman University
- 2 Division of the Teaching of Psychology (D)—Marilyn K. Rigby, Rockhurst College
- 3 Division of Experimental Psychology (CC, H, M)—Gregory R. Lockhead, Duke University
- 5 Division of Evaluation and Measurement (CC, H, M)—Alan E. Kazdin, Western Psychiatric Institute and Clinic, University of Pittsburgh School of Medicine
- 6 Division of Physiological and Comparative Psychology (CC, H, M)—David B. Miller, University of Connecticut
- 7 Division of Developmental Psychology (CC, H, M)—Daniel P. Keating, University of Maryland: Baltimore County
- 8 Division of Personality and Social Psychology (CC, H, M)—Jacqueline D. Goodchilds, University of California: Los Angeles
- 9 The Society for the Psychological Study of Social Issues—A Division of the APA (CC, H, M)—Arnold S. Kahn, Office of Social and Ethical Responsibility, American Psychological Association, Washington, DC
- 10 Division of Psychology and the Arts (D)—Brian Sutton-Smith, Graduate School of Education, University of Pennsylvania
- 12 Division of Clinical Psychology (CC, H, M)—Diane J. Willis, Child Study Center, University of Oklahoma Health Sciences Center
- 13 Division of Consulting Psychology (CC, H, M)—Leonard W. Allen, Washington, DC
- 14 The Society for Industrial and Organizational Psychology—A Division of the APA (CC, H, M)—Allen I. Kraut, IBM Corporation, Armonk, NY
- 15 Division of Educational Psychology (CC, H, M)—Ernst Z. Rothkopf, Bell Laboratories, Murray Hill, NJ
- 16 Division of School Psychology (CC, H, M)—Lawrence C. Hartlage, Dept. of Neurology, Medical College of Georgia
- 17 Division of Counseling Psychology (CC, H, M)—Gerald T. Jorganson, Center for Counseling and Student Development, Loras College
- 18 Division of Psychologists in Public Service (CC, H, M)—Stanley L. Brodsky, University of Alabama
- 19 Division of Military Psychology (CC, H, M)—Robert Penn, San Diego State University
- 20 Division of Adult Development and Aging (CC, H, M)—William J. Hoyer, Syracuse University
- 21 The Society of Engineering Psychologists—A Division of the APA (CC, H, M)—George H. Buckland, Air Force Systems Command, Andrews Air Force Base, MD
- 22 Division of Rehabilitation Psychology (CC)—M.G. Eisenberg, Veterans Administration Medical Center, Hampton, VA, and George N. Wright, University of Wisconsin: Madison
- 23 Division of Consumer Psychology (CC, H, M)—James C. Anderson, Dept. of Marketing, University of Texas at Austin
- 24 Division of Theoretical and Philosophical Psychology (D)—Paul Richer, Duquesne University
- 25 Division for the Experimental Analysis of Behavior (CC, H, M)—Robert L. Koechel, Dept. of Speech, University of California: Santa Barbara, and Laura Schreibman, Claremont McKenna College
- 26 Division of the History of Psychology (D)—Rand B. Evans, Texas A&M University
- 27 Division of Community Psychology (CC, H, M)—Richard H. Price, University of Michigan
- 28 Division of Psychopharmacology (CC, H, M)—James L. Howard, Burroughs Wellcome Co., Research Triangle Park, NC
- 29 Division of Psychotherapy (CC, H, M)—Alice Rubenstein, Monroe Psychotherapy and Consultation Center, Pittsford, NY
- 30 Division of Psychological Hypnosis (CC, H, M)—Robert A. Karlin, Rutgers—The State University of New Jersey
- 31 Division of State Psychological Association Affairs (CC, H, M)—Albert A. Bell, Philadelphia Schools, PA
- 32 Division of Humanistic Psychology (CC, H, M)—Anne C. Richards, West Georgia College
- 33 Division on Mental Retardation (CC, H, M)—Allan G. Barclay, School of Professional Psychology, Wright State University
- 34 Division of Population and Environmental Psychology (CC, H, M)—Sheldon Cohen, Carnegie-Mellon University (Environmental), and Steve Rollin, Florida State University (Population)
- 35 Division of the Psychology of Women (CC, H, M)—Lucia A. Gilbert, Dept. of Educational Psychology, University of Texas at Austin
- 36 Psychologists Interested in Religious Issues—A Division of the APA (CC, H, M)—Hondrika Vande Kemp, Pasadena, CA
- 37 Division for Child, Youth, and Family Services (CC, H, M)—Lois A. Wolthorn, Institute of Law, Psychiatry and Public Policy, University of Virginia
- 38 Division of Health Psychology (CC, H, M)—Margaret A. Chesnoy, Stanford Research Institute, Menlo Park, CA, and Gary E. Schwartz, Yale University
- 39 Division of Psychoanalysis (CC, H, M)—Ernest S. Lawrence, Los Angeles, CA, and Joanne Callan, California School of Professional Psychology, San Diego
- 40 Division of Clinical Neuropsychology (CC, H, M)—Linas A. Biellauskas, Rush-Presbyterian-St. Luke's Medical Center, Chicago, IL
- 41 Division of Psychology and the Law (CC, H, M)—Amiram Elwork, Graduate Program, Hahnemann University, and Patrick DeLoon, Office of Senator Inouye, U.S. Senate, Washington, DC
- 42 Division of Psychologists in Independent Practice (CC, H, M)—Richard M. Sannouls, Teaneck, NJ  
Psi Chi (CC, H, M)—Charles D. Spielberger, University of South Florida
