Dear Dr. DeNoble:

Please accept my sincere thanks for taking the time to testify before the Joint Committee on Health Care on behalf of the tobacco disclosure legislation which I have sponsored. Your expertise and eloquence added greatly to the hearing.

I am very pleased to advise that the Committee reported the bill out favorably on September 27. This is an important first step toward enactment, and we now must continue our efforts in the full Senate, where the bill will next be taken up for consideration.

Again, I very much appreciate the effort you made in coming to Massachusetts to lend your impressive credentials to this important legislation. I hope all is well.

Sincerely,

  
Warren E. Tolman
