

PHILIP MORRIS INCORPORATED
INTER-OFFICE CORRESPONDENCE
RICHMOND, VIRGINIA

To: Dr. M. Hausermann and Directors
From: P. A. Eichorn
Subject: Manuscript for Approval

Date: November 12, 1981

A detailed abstract on the subject matter of the attached manuscript "Behavioral Effects of Intraventricularly Administered (-)-Nicotine on Fixed Ratio Schedules of Food Presentation in Rats" by Victor J. DeNoble, Yvonne Dragan and Lisa Carron was reviewed previously and approval given for a presentation to be made in October of this year at a meeting for the Society of Neuroscience. The presentation has been drawn up as a manuscript for publication.

Your comments are invited regarding approval of it for publication as indicated on the cover abstract sheet.
